pledge to advance society's greater good by using my skills in software engineering to create innovative solutions that address social challenges, promote sustainability, and enhance accessibility. I commit to collaborating with diverse communities, advocating for ethical technology practices, and empowering others through education and mentorship.

6.I have chosen this personal mission because...

I have chosen this personal mission because.....The to make a difference in my society .

1. The first and last name of the peer you had the meeting with:

- Nuredin Maru

2. The date and time that the coaching meeting took place:

- 3/11/2026 from 5 PM – 5:30PM

3. The modality of the call (for example, Zoom, Google Meet, WhatsApp, in person at [City Hub name]):

- In person at Capstone Lideta Hub

4. Did you feel any anxiety before or during the meeting? Why or why not?

- No, I didn't feel any anxiety before or during the meeting. I felt prepared and was looking forward to discussing my ideas with Nuredin, which helped me feel more relaxed.

5. How valuable was the session with your peer? Explain.

- The session was extremely valuable. Nuredin provided insights that helped me reflect on my current challenges and offered practical advice on how to tackle them. The exchange of ideas fostered a collaborative atmosphere that made me feel supported in my journey.

6. Did you make a commitment to your peer? If yes, what was the commitment that you made?

- Yes, I committed to implementing the strategies we discussed during the session. Specifically, I promised to work on setting clearer goals for my projects and to check in with Nuredin in two weeks to share my progress.

7. Did you find anything surprising and/or gain any new insight due to the meeting?

- I was surprised by how much we could achieve in just one session. Nuredin's perspective on prioritizing tasks made me realize that I had been overcomplicating my workflow. His emphasis on time management techniques provided me with fresh strategies to improve my efficiency.

8. How helpful did you find the coaching session overall? Explain and share your experience honestly.

- Overall, I found the coaching session to be very helpful. It was a productive conversation that not only clarified my thoughts but also energized me to take action. I appreciated Nuredin's constructive feedback and felt that having someone to discuss my ideas with made a significant difference in my approach to my goals.
